

Get More Alerts with your Online and Mobile Banking!

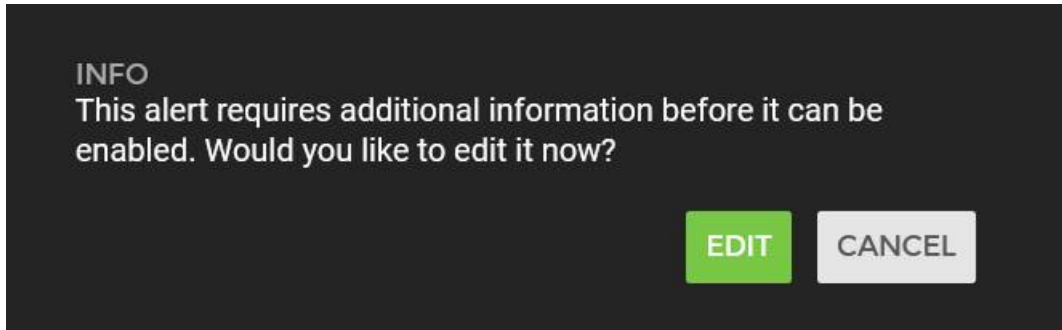

We want to keep your account safe! Know exactly what you spend when you spend it by turning on your transaction alerts. By doing so, you will get an email and/or text every time your card is used as well as be able to see the amount spent. If this transaction was not from you, turn off your card and call us immediately!

How to Turn on Alerts:

- (1) Manage Alerts
- (2) Scroll Down to Card Alerts
- (3) Select Which Card (If There is More Than One)
- (4) Click OFF to Turn it On.

(5) From this Screen, Click Edit.

(6) Select the Type of Alert.

(7) Put Your Email and/or Phone Number.

(8) Click Save.

A screenshot of a mobile application form titled "EDIT CARD ALERT". The form has several input fields: "CARD NAME" with the value "Untitled", "CARD NUMBER" with the value "***", a toggle switch for "Enable alerts for this card" which is turned on (indicated by a green checkmark), "ALERT TYPE" with a dropdown arrow and the word "required" next to it, "EMAIL", and "PHONE". At the bottom of the form is a large grey button labeled "SAVE".
